

Lymington Junior School

December Newsletter 2018

Dear Parents,

With only 2 weeks left of the Autumn Term, to paraphrase Elton John, it's time to step in to Christmas!

I would immediately like to take the opportunity to remind everyone to check the dates (and/or visit the calendar on our school website) to keep up to date with all the Christmas related activities that will be happening between now and the end of term on **Friday 21st December**.

There are too many events to mention each individually, but I would particularly like to draw attention to the Year 3 production this week and the various events that the school's Christmas Choir will be singing at. Thank you to everyone involved - children, staff and parent helpers - for the efforts made in making these events such as success. Without your generosity of time and spirit we would not be able to provide such a wide range of experiences for the children

On which note, I would like to sign post you to our new termly Sports Newsletter - first issue due out next week. As many of you will know, the school has taken part in a record number of sporting events this term and our children's success across a wide range of disciplines has been fantastic. Another huge thank you to the children, staff and parent helpers involved for making this happen.

I was also very proud to see our Year 3 children mentioned so positively in the Lymington Library's Christmas newsletter following their recent visit. As always, the children represented the school wonderfully and enjoyed finding out how the Library operates. Well done everyone!

Next term we will be hosting a number of 'guest speakers' in our assemblies in order to continue to support the children's understanding of themselves and the world around them.

Finally, on behalf of the entire staff team, I would like to wish you and your family a very Merry Christmas and a Happy 2019!

Best wishes,
Dan Twyman,
