January Newsletter 2019

Dear Parents,

As we already approach the end of the first month of 2019, I would like to congratulate the children in all year groups, but particularly Year 3, for how well they have settled back in to life at LJS following the excitement of Christmas.

We have another fun packed term ahead of us! You should have received your child's year group Newsletters outlining the particular aspects of each subject that they will be studying this term.

In addition to which, the children will also be: learning CPR; remembering how to keep safe with the NSPCC; looking after their environment with Minstead Study Centre and the National Park Authority.

A BIG LJS 'Thank you' to all the visitors and volunteers that will be running these events!

I would also like to draw your attention to the Parents' Workshops we will be running on Wednesday 20th March 2019 (information opposite). It was great to see so many of you at last year's Maths Evening and we hope you will find this year's event equally useful and look forward to seeing as many of you there as possible!

In addition to the workshops, we will be holding Parents' Evenings on 5th and 6th March. The focus of these meetings will be on where your child is at with their learning compared to Age Related Expectations; what they need to work on next and how you could support this. Please build in 5 or 10 minutes before/after the session to look through your child's books which will be available outside their classroom...they have been working incredibly hard!

Please remember that, should you wish to discuss a particular issue related to your child at any point in the term, appointments can be made with class teachers (in the first instance) or myself via the school office.

Thank you for your continued support as we look forward to another great term at LJS!

Dan Twyman
Headteacher

On Friday 8th February we will be having a non uniform day to raise money for the NSPCC who have recently been working with the children in school. Children can come into school wearing non-uniform for suggested donation of £2.00. All monies raised go direct to the NSPCC.

A HUGE 'thank you' to the PTA who raised a total of £2627.12 over the course of the Autumn Term.

This is an impressive £1,000 more than the same time last year.

Parent Workshops: Wednesday 20th March 2019 5:30 to 7:00pm

Following the success of last year's Maths Evening for Parents we will be running a workshop evening next half term.

The plan is to offer a selection of 30 minute sessions that will run on rotation throughout the evening from which those attending can choose to attend any 3.

The sessions on offer will include:

- * Supporting your children with Maths
- * Supporting your children with English
- * Introduction to Primary Assessment
- * E-Safety
- * Managing children's anxieties
- * Promoting wellbeing

There is no need to sign up to the sessions so you can make your mind up on the evening which 3 you would like to take part in and in which order.

We look forward to seeing as many of you there as possible...!

At LJS this half term we will be working on....
Quality of children's outcomes in subjects other than English and Maths.

WORLD
**BOOK
DAY**

World Book Day—Thursday 7th March

As usual, we will be asking the children to "Dress as your favourite book character."

As the idea of the day is to increase children's excitement about books, please ensure that the characters they dress as are from a story that at least originated from a book and not from films or computer games.

Playtime Snacks

We would encourage you to only send playtime snacks in with biodegradable 'wrappings' - fruit and vegetables are the obvious choice.

Not only is this healthy but it will also help us to reduce the amount of litter finding its way on to the school grounds.

**Stay
& Play**
HOLIDAY CLUB LTD

We are delighted to inform all our **Parents/Carers** about the **Stay & Play Holiday Club** which will offer affordable child care rates, and will be available to all our existing members as well as new members in the February half term holiday from Monday 18th to Friday 22nd February.

Please contact Stay & Play Holiday Club Ltd on 07841460360 more information
