## May Newsletter 2019

Dear Parents,

I write to you at the end of another fun, successful and very busy half term — in fact, our penultimate of this academic year. If ever anyone wanted to know how much could be packed in to 5 weeks, they just need to send their child to LJS and find out!

I would like to send my thanks as always to the children and staff across the school for everything they managed to achieve during such a busy, but relatively short, half term.

My congratulations particularly go to our Year 6 team for their hard work, determination and amazing positivity leading up to, and then during, this year's SATs week; we are proud of you all!

The SATs results will be made available to schools on Tuesday 9th July 2019. So that we can include this information within the Year 6 children's reports we will now be sending all reports home on **Wednesday 10th July 2019** rather than Monday 8th July as previously planned.

As we look ahead to our final 7 weeks of the 2018—2019 academic year, we do so with mixed emotions. Pride and gratitude for what has been achieved with and for the children over the proceeding two and a half terms; excitement to meet the individuals that will be joining us as our new Year 3 cohort in September (this year's 'move up morning' is on Tuesday 9th July) and sadness that our Year 6 children only have 35 school days left with us at LJS. I know that everyone will be working hard as always to make it another great 35 days for children at every stage of their journey with us though—so let the fun begin!

On the note of summer fun, and with my fingers tightly crossed not to jinx the prospect, can I remind everyone that we are entering what is usually the sunniest part of the year.

Particularly due to the fact that the part of the day that the children tend to be outside the longest (lunchtime), takes place during the hottest part of the day, we ask all families to ensure that their children:

- 1) Have high factor sun cream applied before school;
- 2) Bring in a 'non-spill' (sports cap or equivalent) water bottle and
- 3) Wear a hat/cap **every day**.

Please take time to review the 'dates for your diary' section over the page and continue to check our online calendar (embedded within the school website) for 'as live' updates.

Here's to a great summer!
